

EMS Continuing Education

IFSI provides its Regional EMS Office with updated course lists and content on an annual basis for submittal to the Illinois Department of Public Health for EMS Continuing Education credits. If a course is eligible for continuing education through IDPH, the continuing education hours will show up on your IFSI course completion certificate. The current list of IFSI courses which qualify for EMS continuing education credits is included below.

IDPH Guidelines for CEU Requirements ([/documents/IDPH Guidelines for CEU Requirements.pdf](/documents/IDPH%20Guidelines%20for%20CEU%20Requirements.pdf))
