

# Southern Illinois Regional EMS System

## I-3 PLACEMENT OF THE EMT ON PROBATIONAL STATUS

- The EMS MD shall place any EMT or other provider within the System on Probational Status if the individual is considered not to be meeting the standards of the System based on one or more of the criteria outlined in the Suspension Policy (D-3):
  - The EMS MD will issue to the EMT or other provider verbal notification of the decision for a probational period. This will be followed by written notification of the decision which states the length, terms, and basis for the probational period.
  - The EMS MD will determine, after the stated length of probational period of the EMT, their status of participation within Southern Illinois Regional EMS System.
- The EMS MD may determine a probation – orientation period for a new EMT – Field RN in the System to gain experience and update skills before functioning as a primary EMT.
- Decision for Suspension or Revocation of License of the EMT or other provider within the System:
  - It is the decision of the EMS MD to suspend the EMT or other provider from functioning within the System, refer to the Southern Illinois Regional EMS System Suspension (Section D).
