

Southern Illinois Regional EMS System

B-18 EXCHANGE OF SUPPLIES AND EQUIPMENT

- System providers who exchange equipment/supplies with receiving facilities will:
 - Follow the facilities policy and procedure.
 - Complete documentation as required.
- At the completion of a run, EMS personnel will document and inform emergency personnel of the supplies/equipment used in the field.
- EMS providers **are not** permitted to restock supplies on their own **without informing and obtaining consent** from appropriate hospital personnel.
- Medication restocking:
 - Refer to the appropriate EMS System protocol.
