

# Southern Illinois Regional EMS System

## D-2 FELONY CRIMES

- EMS Agencies are required to immediately report any arrest or investigation proceedings regarding felony crimes of their employees/volunteers, either on or off duty, to the EMS Medical Director or EMS Coordinator.
- Any EMS System provider convicted of any felony crime that occurred either on duty or off, will be suspended from functioning within the Southern Illinois Regional EMS System.
  - The Resource Hospital will notify IDPH in writing when a provider is under investigation for a felony crime.
- A participant may be placed on temporary suspension and/or prohibited from participating in direct patient care pending completion of the felony investigation and/or adjudication of the case.
